

In mid July 2012, the World of Golf will witness the long awaited opening of the much heralded Trump International - Scotland "links" course on the rugged east coast of Aberdeenshire and 20 lucky golfers will have the opportunity to join Dr. Gary Wiren, the Senior Director of Instruction for all Trump properties, famed historian and golf collector and a PGA and World Golf Teachers Hall of Fame member, on a memorable 12 day trip to the Home of Golf. The tour will include a game on the new Trump Aberdeen course plus a 4 day visit to St. Andrews and a special invite to attend the final day of The 2012 Scottish Open at Castle Stuart just outside Inverness.

You will then play the course on the next day with the Sunday pin positions still in place as a special guest of the owner/co-designer, Mark Parsinen. Add in games on other Top 100 courses like Carnoustie, Kingsbarns and Royal Dornoch, golf clinics with Dr. Wiren on the art of playing "links" golf, plus hearing his knowledge of the game's history, and this is a once-in-a-lifetime 5-star tour not to be missed!
